

e-STUDIO425s

Datasheet

- > With the e-STUDIO425s Toshiba presents a compact all-in-one monochrome A4 office system.
- > The print speed of up to 42 pages per minute ensures the system offers impressive performance to enhance your productivity.
- > Thanks to the impeccable output quality you have perfect documents whenever you print, scan, copy or fax.
- > A built-in HDD enhances the performance even more and lets you run a wide range of applications directly on the system.

The e-STUDIO425s has it all — print, scan, copy and fax functionality in a compact design combined with highly sophisticated technology. Rely on the performance of the system and benefit from increased productivity.

Impressive monochrome prints and copies as well as crystal-clear colour scans ensure the document output will meet even the highest quality expectations. And this, too, without any efforts. The e-STUDIO425s is so intuitive to use via a colour touch screen, that you will find it easy to operate — right from the start.

Protecting the environment is important to us. Therefore we make sure that our systems meet the strictest environmental standards to ensure a greener tomorrow. Built-in duplex printing and energy save modes help save natural resources and your money.
