- Fully equipped with eco-friendly features and an optimised energy consumption to help save money and valuable resources.

**TOGETHER  
INFORMATION**

# Ready when you are

For your day-to-day business you need a reliable printer which delivers impeccable document output every time you print. Toshiba's e-STUDIO409P and e-STUDIO478P offer just that. With print speeds of up to 40 and 47 pages per minute (ppm) respectively and a fast first print output time, these productive printers are ready when you need them.

Easy to install and even easier to use, these high quality devices are compatible with most operating systems. The mobile printing features and network capability of the e-STUDIO409P and e-STUDIO478P make them ideal for small to medium-sized businesses and workgroups.

Of course high-level security features are standard, protecting the device from unauthorised access. Contact your local Toshiba partner to find out more about the amazing value these devices have to offer.

# Configuration

\* Only one additional drawer can be added.  
\*\* Up to three additional drawers can be added.

# Specifications
